

## The versatile, fast, affordable solution for heavy duty workgroup printing

The launch of the award-winning C5000 Series was a genuine breakthrough in printing for business. Now, with the addition of the new C5250 – the best printers in their class have got even better still. With built-in networking as standard, the C5250 allows workgroups to print both colour and mono documents on one compact machine, quickly, easily and very affordably.

### Class-leading speed

Delivering 16ppm colour and 24ppm mono, the C5250 is easily the fastest printer in its class, taking just 9 seconds to produce the first mono page and 13 seconds for colour. It's also amazingly reliable thanks to market-leading single-pass LED technology and a flat straight paper path that means higher speeds, fewer jams and smoother handling of a wide range of paper weights.

### Powerful performance

When you are under pressure, the C5250 comes into its own. With 96MB RAM memory as standard, this is a printer designed for a heavy workload. No matter how many user jobs are in the system it will handle large files and complex documents with ease.

### Stunning results

Ordinary printers need special paper to achieve special results – not the C5250. Just select Photo Enhance and you can print photo-like quality images on standard office paper – it's that simple. And Auto Colour Balance ensures colour consistency throughout the life of the printer.

### More features. More options

The C5250's ability to handle a whole range of different paper types and weights means you can print anything from business cards to banners – and your options don't end there. You can add an extra paper tray increasing the printer's capacity from 400 to 930 sheets or opt for the C5250dn and get class-leading automatic duplex printing as standard. If you want a printer that will produce effective results quickly, easily and affordably, the C5250 has got all the features you need and more.

At OKI Printing Solutions, we aim to empower everyone who uses our printers to produce exceptional results: first time, every time. We call this commitment **Chromability™** – in-house colour made easy, only from OKI Printing Solutions. If you ever need any help or advice the 'Ask OKI' tab in your printer's driver will take you straight to an information-packed website specific to your printer.

### Highlights:

- Class leading speed – delivering 16ppm colour and 24ppm mono
- Photo Enhance allows photo-like quality pictures to be printed on ordinary office paper
- Duplex functionality for double sided printing – optional on C5250n and standard on C5250dn
- Auto Colour Balance ensures consistent colour throughout the life of the printer
- 96MB RAM memory enables complex printing on multiple user print jobs
- Template Manager software makes printing a range of document formats from business cards to banners, quick and simple

## The C5000 Series Colour and Mono Printers

		C5250n	C5250dn
Order number		01161601	01161701
Speed & throughput	A4 Print speed	16ppm colour, 24ppm mono	
	Time to first print	13 seconds colour, 9 seconds mono	
	Warm up time	90 seconds	
	Processor speed	200MHz	
Print quality	Resolution	1200 x 600 dpi	
	Enhancements	Automatic Colour Balance; Auto Registration; Toner Save mode, Ask OKI	
Typefaces	Printer fonts	N/A	
Printing process		Ultra compact Single Pass Digital LED electrophotographic page printer with four image drum cartridges	
Compatibility	Printer languages	Windows host based printing system	
	Connectivity	Hi-Speed USB & 10/100-TX Ethernet	
	OS Compatibility	Windows 95 / 98 / 98 SE / ME / 2000 Workstation / 2000 Professional / 2000 Server / 2000 Advanced Server / XP Professional / XP Home	
	Network & protocols	10/100 Base TX Ethernet Card with internal Web Server for printer and network card set-up and management. Includes SMTP Mail for alerts. network protocols supported - TCP/IP, TCP/IP :-ARP, RARP, IP, ICMP, TCP, UDB, LPR, FTP, TELNET, HTTP, BOOTP, DHCP, SNMP, DNS, JetDirect protocols.	
	Utilities	PrintSuperVision, Oki Colour Swatch Utility, Oki LPR	
Memory	RAM	96MB	
	Max RAM	288MB (optional 64MB, 256MB DIMMs)	
	10GB+ Hard Disk Drive	N/A	
Paper handling	Internal tray capacity (tray 1)	300 sheets, 80gsm	
	Optional second tray capacity	530 sheets, 80gsm	
	Paper size (any tray)	A4 , A5, B5 , A6 (tray 1 only), Legal13, Legal13.5, Legal14, Letter, Executive	
	Multi-purpose tray	Max capacity 100 sheets of 80gsm paper. Paper sizes: A4, A5, B5, A6, C5, DL, Com-9, Com-10, Monarch, Custom Size (up to 1200mm length), Legal13, Legal13.5, Legal14, Letter, Executive	
	Multi-purpose paper weight	75 – 203gsm	
	Duplex	Optional	Standard
	Duplex paper weight	75 – 105gsm	
	Paper output	250 sheets face down, 100 sheets face up, 80 gsm	
Operating conditions	Temperature/Humidity	10°C – 32°C (17°C – 27°C recommended) / 20% to 80% RH (50% to 70% RH recommended)	
	Storage	-10°C – 43°C, 10% to 90% RH	
Power requirements	Power supply	Single phase 220-240VAC, frequency 50Hz +/- 2Hz	
	Power consumption	Typical 420W, Peak 950W, Idle 120W (average), Power Save < 25W	
Noise level		Operating: 54dB(A), Standby: 37dB(A), Power save: background level	
Dimensions (HxWxD)	Dimensions (HxWxD)	342 x 400 x 528mm	
Weight		20kgs approx (without consumables or options)	
Duty cycle	Printer duty (max)	50,000 pages/month	
Warranty		Pan European 1 year on-site	
Accessories	Duplex unit	Optional (order no: 42158412)	Standard
	Memory	256MB (order no: 01110302)	
	Cabinet	Optional (order no: 09004107)	
	Second tray	Optional ( order no: 42158512)	

### Consumables Information

Only use genuine Oki Original consumables to ensure the best quality and performance from your hardware. Non Original products may damage your printer's performance and invalidate your warranty. Specifications subject to change without notice. All trademarks acknowledged.
